The President's Dispatch

Today, while I am composing this dispatch, is New Year's Eve and I have been sitting here thinking about what to write about this month. I am looking forward to the coming year. I believe we shall have another successful year with the Holston Stamp Club. The club's membership is strong and our treasury is the biggest it has ever been. We have made quite a few changes during the last few years and each change seems to have helped make the club stronger. Some of the changes that have occurred over the last few years include a change in our meeting site, which has saved the club a lot of money. A change of management of our annual stamp show from the club managing the show to a dealer managing the show for us (this has also saved us quite a bit of money). We have changed the way we hold our monthly auctions. We have added the stamp buying committee, which has given our membership a lot of new material to be able to purchase at very reasonable prices. (We have also made a net profit of about \$1,000 since this program was started) All of these changes were made before I was elected president and I believe they are all good improvements for the club. Of course, nothing can help a club, unless the members participate in the club and approve of changes by accepting them and utilizing the changes to the club's advantage and their own advantage.

With the help and participation of our members, we will be receiving a presentation on a philatelic topic each meeting for at least the first six months of 2018. I hope volunteers will come forward for the five months which as of yet have no presentations. I think the 5¢ stamp sales are doing well. We seem to get purchases from the binders every month and I will continue to

add more material to these binders every month. There are around 300 new stamps from Mongolia in the Mongolia binder plus some small additions to other countries. I have a donation from Dick Odum of 427 stamps from Czechoslovakia that I need to soak and dry before I can put them in a binder. I hope to have this done by our next meeting.

We had a wonderful Christmas party during our meeting in December. There were 22 people in attendance and we added two new members to our roster, one regular member and one associate member. The gift exchange was fun for all and everyone in attendance participated. There was ample food and I would like to thank everyone who brought something for the party. The auction which followed was smaller than average, but there was still some interesting material to be had.

I hope to see everyone on the 18th for our first meeting of the new year.

Steve
