President's Dispatch

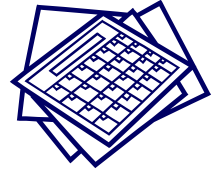

Here it is, the New Year of 2019 and almost time for our next club meeting. The December meeting, which included our Christmas party, was enjoyable for me and my family and I hope everyone that attended enjoyed themselves as much as we did. Although the business portion of the meeting was short, we did manage to have an election for club officers (a couple of months late) and the current officers were all re-elected for a second and final term. We had a couple of visitors at the meeting, Dr. James Baker and his wife, who also enjoyed the party with us and signed on as members of the club. The Bakers were stamp collectors in the past and have decided to rejoin the stamp collecting community. WELCOME Mr. And Mrs. Baker! We then enjoyed pizzas and beverages supplied by the club plus all of the foods that the members brought while we held our annual White Elephant gift exchange. And of course we then had our monthly auction that I believe all of us always enjoy.

I have added some material to the 5¢ a stamp stock books including many stamps from Bolivia, which now has its own stock book. I will have the 5¢ a stamp stock books at the January meeting as usual.

I have been doing some research on watermark detection and I plan to share with the members the results of my research by presenting a short summary during the next meeting. Any members who would like to make presentations please contact me so I can assign you to a future meeting.
